On for old and young

It will be on for young and old when the Every Generation Festival is held in Whyalla on *Thursday, October 19.*

The Council for the Aging (COTA) is hosting the function at Central Football Club, McDouall Stuart Avenue, from 10am until 12.30pm.

People are invited to join in for the festival event which celebrates the closeness rather than the gap between the generations.

Children will be performing throughout that time and organisers would like to see as many parents, grandparents and family friends there as possible to support them.

The program will include a choir and dance routine from Fisk St Primary School, a choir and recorder demonstration from Hincks Ave Primary School, a choir and skipping demonstration from Nicolson Ave Primary School students, morning tea and both door and mystery prizes.

Entry to the event is free.
